allergen policy:

Windmill Day School & Camp ("Windmill") recognizes that campers may suffer from potentially life-threatening allergies or intolerances to certain foods. Windmill is committed to an approach to the care and management of those campers. Windmill's policy is **not a guarantee** of a completely allergen free environment, rather is a policy to minimize the risk of exposure. Windmill is an allergen aware facility.

In order to best facilitate this policy, Windmill strives to prohibit all products containing any nuts, including peanuts and tree nuts. This applies to all manufactured food products and homemade food products. However, this is **not a guarantee** that any food prepared, served or purchased by Windmill or provided by staff, volunteers, or families does **not** include any allergens. If any non-compliant food item is discovered, it will be discarded immediately. Any foods that contain a label providing they "may" contain nuts, will be discarded if found on the premises. However, labels that provide a "product was manufactured in a facility that also processes food containing nuts", or similar wording, **are permissible**. Windmill has also been made aware of food labels that contain the phrase "may contain allergens" and/or "may contain other allergens due to shared production areas", but do not identify any specific allergen. Food items containing this label, provided they do not contain nuts or tree nuts in the list of ingredients, **are permissible**. Windmill also prohibits any **fish, shellfish and eggs** from being brought onto the premises. **However**, this does **not** include products that may contain these items as part of its ingredients (ie cake, icing, mayonnaise, salad dressing, etc). Eggs may be used as part of cooking/baking lessons. Windmill requires that **all** food items to be shared (ie birthday treats) contain a detailed ingredient list attached to the packaging. This applies to both store-bought AND home-made items. Parents of a camper that has not yet been exposed to nut products, as well as a camper that has a food allergy, are required to notify management prior to enrollment.

In the event your camper **has** a food allergy, but you have made the decision that you **want** them to eat **all snacks** provided by Windmill, you are required to have your physician sign below acknowledging they have reviewed and approve this policy for your camper.

PHYSICIAN'S NAME: _____ PHYSICIAN'S SIGNATURE/DATE _____

FOOD ALLERGY POLICY:

If your camper is not able to eat ALL of the food items that Windmill Day School & Camp serves daily due to food related allergies, we require that you pack ALL food items for your camper each day. In addition to your camper's daily lunch, this will include a morning and afternoon snack. Snacks should come in a labeled (disposable) bag SEPARATE from your camper's daily lunch as they will be stored in different spaces.
